Halloween is celebrated on the 31st October around the world. On this day, children dress up in special costumes like witches, ghosts or vampires, and visit the houses of friends and family. They often wear horrible masks too. They ask for sweets or money, but they often receive fruit like apples or nuts. Sometimes people decorate their houses with a pumpkin with a candle inside called a Jack O’ lantern.

This year, Halloween was celebrated with great commitment from both parents and students. The idea was to create a creature using recycled materials.

People in the United States of America celebrate Thanksgiving Day on the fourth Thursday of November.

Families give thanks for all the good things in their lives on Thanksgiving Day.

They eat a special dinner. They eat turkey with carrots and potatoes. They have pumpkin pie, too!

I’m thankful for…
